Addendum #1

This addendum is dated November 9, 2015
Clarification of drawing and specifications and answer to question.

Item#1. The rock to be used in the construction of the driveway and parking areas shall be crushed Granite CR-14.

Item#2. The parking blocks shall be full size, Cement, SCDOT approved with 20" re-bar pegs to hold them in place.

Item#3. Question concerning SCDOT Encroachment on Neyle Street.

Answer: This is not a SCDOT Road. Neyle Street is a City of Walterboro maintained road. The proposed cut shall be approved by Colleton County Capital Projects Director and the City of Walterboro Engineer.
