

**POSITION AVAILABLE**  
Senior Appraiser/Data Analyst  
Tax Assessor's Office

Colleton County Government is accepting applications for the position of Senior Appraiser/Data Analyst in the Assessor's Office. Under general supervision, the successful candidate will perform various technical functions in appraising property value to include locating properties by tax map and identifying for tax roll. Will establish public record of property, analyzing data of real property to determine fair market value estimate. This position will be required to perform a variety of data queries and SQL reporting.

Bachelor's Degree in business administration or related field supplemented by five years of experience in property appraisal, GIS or an equivalent combination of education, training and experience that provides the required knowledge, skills and abilities. Must possess a valid South Carolina driver's license. Must possess a SC Real Estate Appraisers License or Certification.

Maintaining both a valid driver and appraiser license is an ongoing mandatory requirement for continued employment in this position. Pre-employment drug screen and a satisfactory background check also required.

E-mail resume to [jobs@colletoncounty.org](mailto:jobs@colletoncounty.org). Only qualified applicants will be contacted for an interview. The position will remain open until filled. Colleton County is an Equal Opportunity Employer.
