Addendum #2

This addendum is dated July 18, 2013

Take note of the change in the closing date/time and location for this bid.

Modification Resulting from Pre-Bid Conference 7/17/2013

Remove all foundation and basement (walls and floors) greater than the 2ft. as referenced in the specs. Exceptions are within drip-line of trees with trunks 12" or greater in diameter and in area adjacent to the duct bank located at the Corner of Klein St. next to the Breland Building (Old Sheriff's Headquarters).

Asbestos Report (Addendum 1) for the Detention Center is posted on the County's website.

Metal from the Old Sheriff's Office Building and the Detention Center to be property of contractor.

Relocate Generac switch gear to new location on new jail building (assume within 50 ft.). The location will be determined prior to start of project.

H&H and Lucas Electric are the local electricians (see below).

All power shall be disconnected from both buildings prior to the demolition start date.

Contact information for the two local electricians is:
