Colleton County personnel must be able to try on the correct size turnout gear. Measuring only is not acceptable. A minimum of three fitting days must be allowed, with one day being a Saturday. All pricing must remain in effect until December 31, 2016 for add on equipment/additional orders.

15. CONTRACT AWARD:
 - a. This solicitation and submitted documents, when properly accepted by Colleton County shall constitute an agreement equally binding between the successful Contractor and the County. F. GENERAL CONTRACTUAL REQUIREMENTS

1. ABANDONMENT OR DELAY: If the work to be done under this contract shall be abandoned or delayed by the vendor, or if at any time the County shall be of the opinion and shall so certify in writing that work has been abandoned or delayed by the vendor, the County may annul the contract or any part thereof if the vendor fails to resolve the matter within thirty (30) days of written notice.
2. RESPONSIBILITY: The vendor shall at all times observe and comply with all federal, state, local and municipal laws, ordinances, rules and regulations in any manner affecting the contract.
3. NON-APPROPRIATION / SUBSTITUTION PERMITTED: If the Colleton County Council fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this contract or if a lawful order issued in, or for any fiscal year during the term of the agreement, reduces the funds appropriated or authorized in such amounts as to preclude making the payments set out therein, the agreement shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to County. Following any such non-appropriation, the master lease agreement shall contain no limitation on the County's ability to replace the equipment financed with any other equipment.

The terms and conditions contained in this Section shall survive the termination of any resulting agreement or the suspension of the Work hereunder. Additionally, the County will not provide indemnity to the successful VENDOR. Failure to comply with this section may result in your request for proposal to be deemed non-responsive.

5. **FORCE MAJEURE:** The vendor shall not be liable for any excess costs if the failure to perform the resulting agreement arises out of causes beyond the control and without fault or negligence of the vendor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the vendor. If the failure to perform is caused by default of a supplier, and if such default arises out of causes beyond the control of both the vendor and supplier and without excess costs for failure to perform, unless the supplies or services to be furnished by the supplier were obtainable from other sources in sufficient time to permit the vendor to meet the required delivery schedule.

9. **ASSIGNMENT:** The vendor shall not assign in whole or in part any agreement resulting from this Request for Proposals without the prior written consent of the County. The vendor shall not assign any money due or to become due to him under said agreement without the prior written consent of the County.
