

**BID: LRA-12 AVIATION FUEL SUPPLIER
WALTERBORO-COLLETON COUNTY AIRPORT COMMISSION
LOWCOUNTRY REGIONAL AIRPORT**

ADDENDUM 2

Date: September 21, 2026

This addendum forms part of the **Request for Proposals** and modifies the original RFP only as noted below. Failure to acknowledge this addendum in the submittal may subject the submitter to being deemed non-responsive.

This Addendum consists of 2 pages in total.

IMPORTANT: The purpose of this Addendum is to provide responses to questions posed in an email received September 15, 2026. The questions are in black ink and the responses are in red ink.

Refuelers/Farm

1. Is the airport looking for more refueling equipment outside of the minimum requirements? If so, how many trucks and what size tank? **ANSWER: Undecided**
2. Does the airport intend to keep the Airport owned refueling equipment in conjunction with the leased equipment or switch to a fully leased fleet? **ANSWER: The airport intends to keep airport owned refueling equipment in conjunction with equipment leased in the future.**
3. Who completes the preventative maintenance on the trucks currently? **ANSWER: Operations staff and independent contractor mechanic vendors.**
4. Who does the product filter change currently? **ANSWER: Operations staff**
5. Does the airport prefer mechanical registers for metering fuel or Digital TCS registers? **ANSWER: The airport prefers both on the trucks.**

Fuel Price & Payment Terms

1. Are there any tax exemptions for bulk fuel purchasing currently? **ANSWER: No**

FBO Software

1. What FBO processing software does the Airport currently use? **ANSWER: None**
2. Is the FBO currently paying for FBO software? **ANSWER: No**
3. Is the airport interested in having mobile transaction capability from fuel trucks directly to FBO software? **ANSWER: No**

Fuel Sales/Contract Fuel

1. How many gallons of Jet Fuel on average are sold annually using the current fuel suppliers Contract fuel program? **ANSWER: Please refer to the RFP for historical total fuel sales data estimates.**
2. Does the Airport currently participate in a Rewards Program for Pilots through the current Fuel Supplier? **ANSWER: All respondents to the RFP are welcome to submit in their proposal any rewards programs they would offer to pilots.**

Credit Cards

1. What are the current credit card rates you are being charged by your current provider? **ANSWER: All respondents to the RFP are welcome to submit in their proposal any proposed credit card rates they would charge if selected.**

***All other terms and conditions of the original Request for Proposals not inconsistent with this Addendum remain in effect. ***
