**WETLANDS ENCROACHMENT NOTIFICATION**

A portion of this property may be in a federally designated Wetland. It is the owner/applicant(s) responsibility to contact the Corps of Engineers or the appropriate DHEC agency to request a jurisdictional determination. If you build in a wetland without the proper approvals, you could be subject to significant fines and/or be required to repair/restore any disturbed wetland.

**AFFIDAVIT OF APPLICANT**

I hereby, certify the above address and site information is correct and understand that if any information is found to be incorrect the permit(s) may be revoked. **Signed by:**  **Owner**  **Representative**  **Contractor**

1. Owner/Agents are responsible for checking any Wetlands Encroachment.
2. The undersigned owner, representative, or contractor understands that the approval of this application does not constitute a privilege to violate any applicable governmental ordinances codes or laws, and that any omission of or misrepresentation of fact without intention of the undersigned or any alteration of change from this application without the approval of the Colleton County Planning and Development Department in writing, shall constitute sufficient ground for the revocation of any permit issued which was based on the approval of this application. This permit does not authorize any encroachment upon public property.
3. Owner/Agents are responsible for checking any Deed Restrictions and Covenants, Wetlands Encroachment, and FAA zoning conditions.
